17.	Type in the password "12345678"	The password will successfully receive and no error message will appear	An error message "The password does not meet the requirements" appeared		fail
18.	Type in the password "abcdefg"	The password will successfully received and no error message will appear	The password was successfully received and no error message appeared		pass
19.	Type in first name: "Sara"	will be received successfully and no error message will appear	Received successfully and no error message appeared		pass
20.	Type last name: "Hayat"	will be received successfully and no error message will appear	Received successfully and no error message appeared		pass
21.	Type in ID "213763510"	will be received successfully and no error message will appear	Received successfully and no error message appeared		pass
22.	Type a phone number "0526602270"	will be received successfully and no error message will appear	Received successfully and no error message appeared		pass

TEST SCRIPT STEPS/RESULTS					
STEP	TEST STEP/INPUT	EXPECTED RESULTS	ACTUAL RESULTS	Requirements Validated	PASS/F FAIL
23.	Type in email "sa12@gmail.com"	will be received successfully and no error message will appear	Received successfully and no error message appeared		pass
24.	Type in the date of birth "08/09/2002"	will be received successfully and no error message will appear	Received successfully and no error message appeared		pass
25	Type in the password "abcde12345"	will be received successfully and no error message will appear	Received successfully and no error message appeared		pass
26	Type in password verification "abcde12345"	will be received successfully and no error message will appear	Received successfully and no error message appeared		pass
27.	Verify that the "I want to receive updates" field is checked by default	The "I want to receive updates" field will be checked by default	The "I want to receive updates" field is checked by default		pass
28.	Click the save button below	A message will appear "The details have been saved successfully" Then you will be taken to the main page	message appeared "The details have been saved successfully" Then moved to the main page		pass

Error handling					
1.	refresh the page	Everything written in the fields will be deleted	Everything written in the fields is deleted		pass
2.	Click the save button when the fields are empty	An error message " *This field cannot be empty" will appear below each field	An error message " *This field cannot be empty" appeared below each field		pass

Functional-Boundary					
1.	Type in the password "1234567" (7)	A "Password does not meet the requirements" error message will appear	An error message "The password does not meet the requirements" appeared		pass
2.	Type in the password 98765432 (8)	will be received successfully and no error message will appear	Received successfully and no error message appeared		pass
3.	Type in the password "12345678912345678" (17)	A "Password does not meet the requirements" error message will appear	An error message "The password does not meet the requirements" appeared		pass
4.	Type in the password 9876543219807654 (16)	will be received successfully and no error message will appear	Received successfully and no error message appeared		pass
5.	Type in the password abcdefg (7)	A "Password does not meet the requirements" error message will appear	An error message "The password does not meet the requirements" appeared		pass
6.	Type in the password asdfghjk (8)	will be received successfully and no error message will appear	Received successfully and no error message appeared		pass
7.	Type in the password zxcvbnmasdfghjkop (17)	A "Password does not meet the requirements" error message will appear	An error message "The password does not meet the requirements" appeared		pass
8.	Type in the password poiuytrewlkjhgf (16)	will be received successfully and no error message will appear	Received successfully and no error message appeared		pass
9.	Type in the password "abcdefggg" (3)	A "Password does not meet the requirements" error message will appear	An error message "The password does not meet the requirements" appeared		pass

10.	Type in the password "abcdefhgg" (2)	will be received successfully and no error message will appear	Received successfully and no error message appeared		pass
11.	Type in the password "123456777" (3)	A "Password does not meet the requirements" error message will appear	An error message "The password does not meet the requirements" appeared		pass
12.	Type in the password "123456877" (2)	will be received successfully and no error message will appear	Received successfully and no error message appeared		pass

Gui					
1.	Click the toggle button	The button color will change to gray	The button color has been changed to gray		pass
2.	Click the toggle button	The button color will change to blue	The button color has been changed to blue		pass
3.	Click the save button when all fields are empty	All fields will be colored red and an error message will clearly appear in red under each field	All fields were colored red and an error message clearly appeared in red under each field		pass
4.	check the correctness of the proofreading that there are no spelling errors	No spelling errors	No spelling errors		pass
5.	Type in first name: "Sara" in last name: "Hayat" in ID "213763510" Leave phone number field empty in email " <a href="mailto:sr12@gmail.com">sr12@gmail.com</a> " in the date of birth "08/09/2002" in the password "abcde12345" in password verification "abcde12345" Click the save button below	An error message "This field cannot be empty" will clearly appear below the phone number field	An error message "This field cannot be empty" appeared cut under the phone number field		fail

Usability					
1.	Verify there is a breakdown of what the email will be used for	There will be detailed message "We will send you order confirmations to this email"	There is a detailed message "We will send you order confirmations to this email"		pass
2.	Press the tab key on the keyboard	will move to the next field	moved to the next field		pass
3.	Verify that there is no overload of fields on the Sign up page	No overloading of fields	No overloading of fields		pass
.4	Verify there are clear criteria for creating a password	There will be detailed and clear criteria for creating a password	There were criteria for creating a password but not detailed and clear		fail

Security					
1.	Verify that what you type in the password field appears as dots	It will appear as dots	It appeared as dots		pass

# Bugs

## Title: in the sign up feature An error message appears for password that meets the password requirements

Description: When you type the password "12345678" an error message appears "\*The password does not meet the requirements" even though the password does meet the requirements: "8-16 characters, no more than two identical ."characters in a row

### Step:

Navigate to <https://www.shufersal.co.il/online/he/register>

1. press on sign up button
2. Type "12345678" in the password

Expected result: The password will successfully receive and no error message will appear

Actual result: An error message "The password does not meet the requirements" appeared

\*see attachments

Severity:medium

The screenshot shows a sign-up form with the following fields and errors:

- Date of birth: dd/mm/yyyy  
08/09/2002
- Email address: דואר אלקטרוני  
sar12@gmail.com
- Message below email: למייל זהה אנחנו נשלח לך אישורי הזמנה
- Password: סיסמה כניסה לאתר  
12345678
- Error message below password:

8-16 תווים, לא יותר מאשר תווים זהים ברצף  
\*הסיסמה לא תואמת את הדרישות

**Title: in the sign up feature An error message "This field can not be empty" appeared cut**

**Description:** When you fill in all the fields of the sign up without the phone number field and press the Save button, an error message "This field cannot be empty" appears cut under the phone number field

**Step:**

Navigate to <https://www.shufersal.co.il/online/he/register>

1. press on sign up button
2. Type in first name: "Sara"
3. Type in last name: "Hayat"
4. Type in ID "213763410"
- Leave phone number field empty
5. Type in email "[sr12@gmail.com](mailto:sr12@gmail.com)"
6. Type in the date of birth "08/09/2002"
7. Type in the password "abcde12345"
8. Type in password verification "abcde12345"
9. Click the save button below

**Expected result:** An error message "This field cannot be empty" will clearly appear below the phone number field

**Actual result:** An error message "This field cannot be empty" appeared cut under the phone number field  
see attachments\*

# Bugs:

1.

Title: Shufersal Travel website ☐ flight criteria booking panel ☐

The font size of the letter "ה" in the word "יציאה" is larger than the font size of the rest of the word

## Steps:

- 1.go to [www.shufersl.co.il](http://www.shufersl.co.il)
- 2.click on benefits and coupons
3. Click on Shufersal Travel icon \*\*\*\* see attachment next page\*\*\*\*
4. The font size of the letter "ה" in the word "יציאה" is larger than the font of the rest of the word

Expected result: The word "יציאה" will be displayed in the same font size

Actual result: The font size of the letter "ה" in the word "יציאה" is larger than the font size of the rest of the word

## Severity – low

\*\*\*\*\*See attachment\*\*\*\*

The screenshot shows the 'Taxis & More' app interface. At the top, there are three tabs: 'ריבוי יעדים' (Multiple destinations), 'כיוון אחד' (One destination), and 'חולך ושב' (Round trip), with 'חולך ושב' highlighted. Below this, a search bar displays a flight from 'תל אביב - ישראל' to 'טהראן - איראן'. The departure date is set for 'Nov 22, 2023' and the return date for 'Nov 21, 2023'. A button at the bottom indicates '2 נוסעים' (2 passengers). A large red button at the bottom right is labeled 'Q חפש' (Search Q).

2.

**Title:** In the branch search results, 12 branches were found in Be'er Sheva  
 But only 11 branches in Be'er Sheva were marked on the map.  
 The 12th branch was marked in Netanya with details about a branch in Be'er Sheva

11.

**Title:** The results of the branch's opening hours on the web site and in a Google search is different

**Steps:**

- After receiving search results, select the branch "Horav 15, Haifa."
- Go to the map and click on the selected branch.
- Expand the panel by clicking on "For more information about the branch."
- Compare the branch opening hours results in the web app.

with the search results of the opening hours of the branch on Google

**accepted result:** The results of the opening hours of the branch on the web site and in Google, search will be the same.

**actual result:** The results of the branch's opening hours on the web site and in a Google search are different.

After a conversation with the national customer service,

I was given the updated operating hours on Google as opposed to the updated one on the web app

**severity: medium**

\*\*\*\*\*see attachment\*\*\*\*\*

The image shows a mobile application interface for Sheli Haifa. At the top left is the Sheli Haifa logo. To its right, the text "שלி חיפה- חורב" and "מרכז חורב 15" is displayed. Below this, a red button with white text says "למידע נוסף על הסנוּפּ". On the left side, there is contact information: "שם מנהל הסניף: גדי אל טיקטינסקי", "טלפון: 04-8246745", and a table showing "שעות פתיחה" (Opening hours) from 22:00 to 22:30 for days A through S. The main part of the screen is a map of Haifa's northern suburbs, specifically the area around Romema. It features several location markers: a red pin with a shopping cart icon at "Horev Electronics", a blue padlock icon at "נוֹף המטייל בעמ'", a blue bus icon at "טוב מרכז", a blue bus icon at "מרכז ליהדות מתקדמת אור חדש", a blue star of David icon at "בית כנסת היכל אליעזר", and a blue pin with a shopping cart icon at "המקולת- באינשטיין". A green road number "672" is also visible. At the bottom of the map, the text "הפנייה הצבאית לפיקוד" is present. On the right side of the screen, there are two dropdown menus: "בכל הרשותות" and "בכל המחלקות". A large red button at the bottom right says "התחל חיפוש". At the very bottom, another Sheli Haifa logo and the text "שלישי חיפה- כרמל" and "שדר הנשיא 124 מ" are shown.

# Test Description: Delivery availability feature

<Shufersal online- Delivery availability feature>

**Test Purpose:** < Verify that orders by deliveries and pick-up are made and approved>

**Test Run Instructions:** < >

Prerequisites for this test: None

Software Versions:

Browser:

Operating System:

**Required Configuration:** [ browser setup, security or user ID roles]

No special setup needed

Test Run Information:

Tester Name: Ilanit Lobel

Date of Test: 9.11.23

**NOTES and RESULTS:**

In this feature there is an option to add an address, but there is no option to delete an address.  
It is possible to delete the address only from my private area tab.

**It will be more convenient to delete the address also from delivery feature**

# Test Description: Marketplace section

<I will test the Marketplace section features >

**Test Purpose:** <Making sure the whole process of ordering clothing items is working smoothly>

**Test Run Instructions:** <There are no special instructions needed to execute this test>

## Test Run Information:

**Tester Name:** Lia Rubin

**Date of Test:** November 23, 2023

**Prerequisites for this test:** None

**Software Versions:**

**Application:**

**Browser:**

**Operating System:**

**Required Configuration:** [ browser setup, security, or user ID roles]  
No special setup needed

## NOTES and RESULTS:

1. In "אופנה" page, the categories are organized in an "untraditional" order: first "All categories", then "babies", then "children", then "men", then "reading and sun glasses", then "women" and then "shoes". Offered order: "All categories", "Women", "Men", "children", "babies", "shoes", "Reading and sunglasses".
2. Before adding the item "UNALALA סט כיסוי למחשב נייד כולל נרתיק קלמר עם שם" to the shopping cart list, there is no feature enabling typing the name that the customer would like on its purse in the way that the website usually enables choosing the preferable size and color of the product. Instead, a guidance inside the product description - to send an email with the wanted name and color to the manufacturer - is appearing in a very small letters and hiding between a very long description – which can make the consumer miss this option and avoid purchasing the product.

## TEST SCRIPT STEPS/RESULTS

STEP	TEST STEP/INPUT	EXPECTED RESULTS	ACTUAL RESULTS	Requirements Validated	PASS/FAIL

### 1. Title: "360 degrees" button under "חלב 3% בקרטון מהדרין" doesn't work

**Description:** The "360 degrees" button, which allows taking a close virtual look from all sides of the product, doesn't work for "חלב 3% בקרטון מהדרין" product.

1. Navigate to [www.shufersal.co.il/online/](http://www.shufersal.co.il/online/)
2. Type "חלב 3% בקרטון מהדרין" inside the search box
3. Click on "חלב 3% בקרטון מהדרין" inside the drop-down menu list
4. Inside the small window, click on the "360 degrees" button under the picture of the milk

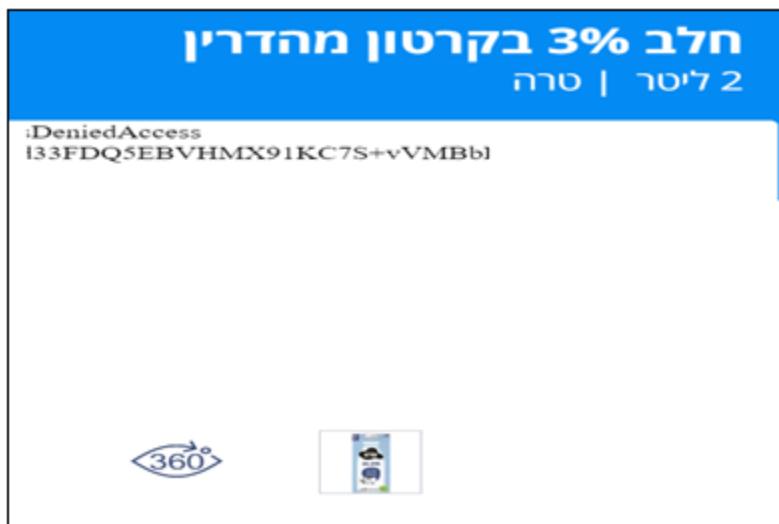

**Expected result:** The "360 degrees" feature will enable taking a close virtual look of the milk from all sides of the product, using the "play" "pause", "left" and "right" buttons in its little tool bar.

**Actual result:** After clicking on the "360 degrees" button the picture of the product has disappeared, and an error message was shown:

"AccessDeniedAccessDenied46RH66138CKDSFBYQfYY+cBc  
ZyC52icil98a6q9h5uQZyPp23HrAR4vBVB/8CijvVaYBMI1WPC  
bftPSzNbFY/yFse4o="

**Note:** A check in Dev Tools shows that this function is in the client side only, since clicking the "360 degrees" button doesn't show that any request was sent.

**Severity level:** Low

## **2. Title: A punctuation error in "about the manufacturer" description**

**Description:** There is a punctuation error in "about the manufacturer" description.

1. Navigate to [www.shufersal.co.il/marketplace/p/P\\_8412497399000](http://www.shufersal.co.il/marketplace/p/P_8412497399000)
2. Click on "About the manufacturer" category

**Expected result:** The description in this section will be well punctuated and clear.

**Actual result:** There is an unnecessary comma, put in a wrong place in the sentence

**Severity level:** Low

**שם מוכר:** בני עצזעים
